Mr. John Hughes  
855 E. Westminster  
Lake Forest, IL 60045

Dear John:

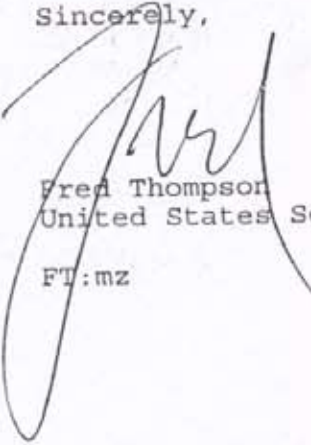

Many thanks for your telegram.

I think you should realize just exactly how strong I am. Anybody who could overcome "let's go back to the tick-tock and get the boo-boo" must be a great politician.

Also, I have not forgotten that you owe me a fundraiser. Call your buddy Rupert. I've got this great idea for a book.

Come to Washington when you get a chance and visit your money. Seriously, if your family would like to visit, we would be delighted to show them around. Let's stay in touch.

Sincerely,

Fred Thompson  
United States Senator
