Senator Fred Thompson  
523 Dirksen Senate Office Building  
Washington, D.C. 20510

Dear Senator Thompson:

I have no doubt your call to the Governor was very helpful in securing my visit to James Earl Ray in Nashville. I am very grateful and thank you and your staff.

I hope to see you my next time in Washington, either with Barbara Dixon or without. I congratulate you on your serious probe into campaign financing.

Best wishes,

  
Oliver Stone
