Dear Fred:

My family and I certainly enjoyed being with you this past weekend in Nashville. You certainly know how to "throw a party!" Seriously, we had a wonderful time Saturday afternoon at the WildHorse Saloon and sincerely appreciate your many kindnesses.

It was great fun to visit Nashville. We fell in love with the City and hope to return sometime in the near future.

Again, thanks for your hospitality and with warmest personal regards, I am

Sincerely yours,

Trent Lott
